THE ZOOM. OH MY GOD. THE ZOOOOM.

I feel so dumb, it seems so obvious now! Thank you so much, this has been incredibly helpful. The back button focus... seriously, I love you.

I just want to say thank you for posting all these videos!! I'm going to be honest, after going to school for photography I feel like I didn't learn as much as I should have and instead have learned WAY more watching only 5 (hope to watch more) of your videos. You're honest, knowledgeable, and yet easy-going and I wish I had you as a photography teacher back in the day. I definitely plan to watch and learn more from your videos! So once again, thank you!
