

The Cindy Wider Method

Table of Contents

Year: 3

Introduction

Welcome to the Cindy Wider Method drawing course. In this table of contents you will find a brief outline to your course. For all current updates and latest versions of the course in general, please see teachkidsdrawing.com.au

Term 1: Comparing Angles and Sizes

Lesson 1: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: sketch curves and lines (power point, video) 10 mins
2. Exercise 2: Halving lines Using the Pinch Grip (power point, video) 15 mins
3. Freehand sketching curves and lines practice – create patterns for fun

Lesson 2: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Drawing Angles (student print out, power point) 10 mins
2. Exercise 2: Sketch the Four basic shapes (Video) 12 mins
3. Group Discussion: Explore shapes in the real world

Lesson 3: General Overview

During this lesson you will be teaching the following:

1. Group Discussion: Shape Variations (power point) 5 mins
2. Group Discussion: The Almighty Ellipse (power point, video) 15mins
3. Exercise 1: Sketch Ellipses (power point, student print out) 10 mins
4. Practice: Draw a yummy mug of hot chocolate 10 mins

Lesson 4: General Overview

During this lesson you will be teaching the following:

1. Discussion: The History of the Teddy Bear (power point) 10 mins
2. Project part 1: Big Cuddly Ted Shapes Practice (power point, student print out) 30 mins

Lesson 5: General Overview

During this lesson you will be teaching the following:

1. Project Part 2: Big Cuddly Ted Construction Drawing (power point, student print out) 40 mins

Lesson 6: General Overview

During the next three lessons you will be teaching the following:

1. Project Part 3: Big Cuddly Ted outline your drawing (power point, student print out) 10 mins
2. Complete and decorate your ted (power point, student print out) (30mins)
3. Transfer your Ted to Cartridge paper ready to paint (10mins)

Lessons 7 and 8: General Overview

During the next three lessons you will be teaching the following:

1. Project Part 4: Colour your Big Cuddly Ted (power point) 40 - 80 mins

Term 2: Angles and Perspective

Lesson 1: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Introduction to one-point perspective find three types of perspective lines (power point, student print out, video) 10mins
2. Exercise 2: Day At the Beach Find 3 types of perspective lines (power point, student print out) 10mins
3. IMPORTANT Exercise 3: Heads or Tails? Discovering 3 Different Viewpoints of a coin (Students in pairs - *you will need a 20cent coin; preferably or any coin if you don't have that... for each pair of children in your class.*) 10 mins
4. Exercise 4: Draw a beach towel in one-point perspective (If there is time, allow your students some free drawing time to decorate their beach towel and add to their little scene.) 10 mins

Lesson 2: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Super Space Blocks (power point, student print out, video) 20mins
2. Exercise 2: My Fish Aquarium – upon completion in graphite pencil; consider wax-based crayon to outline the aquarium then watercolour paint (power point, student print out] 20 to 60 mins

Lesson 3: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: 3D Rodney Robot (power point, student print out] 40mins

Lesson 4: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Draw a chair in one-point perspective (power point, student print out] 40mins
2. Extra time? Discussion from lesson 5 on 'Inspiration From Famous Artists'

Lesson 5: General Overview

During this lesson you will be teaching the following:

1. Discussion: Inspiration from famous artists (power point] 20mins
2. Project stage 1: Draw your imaginary room (power point] 20mins

Lesson 6: General Overview

During this lesson you will be teaching the following:

1. Project stage 2: Begin to decorate 'My Imaginary Room' in the following two lessons as well (power point, student print out] 40mins

Lesson 7: General Overview

During this lesson you will be teaching the following:

1. Project Stage 2: Continue 'My Imaginary Room' and begin to fill it with other furniture items
2. Pattern Samples: Colour your room inspired by Howard Arkley. Create small samples of your textures first – see the designs provided for ideas.

Lesson 8: General Overview

During this lesson you will be teaching the following:

1. Project Stage 3: Complete your drawing
2. Discussion: Process for Preparing an artwork for presentation

Term 3: Coloured Pencil

Lesson 1: General Overview

During this lesson you will be teaching the following:

1. Discussion: Coloured pencil as professional art medium (power point) 5 mins
2. Exercise 1: Prepare your coloured pencil tip (power point, video) 5mins
3. Exercise 2: Create a gradation in 1 colour then 3 colours (power point, video, student print out) 10mins
4. Exercise 3: Golden yellow oval (power point, video, student print out) 25mins

Lesson 2: General Overview

During this lesson you will be teaching the following:

1. Discussion: The Shadow Map (power point, video) 5mins
2. Exercise 1: Step 1 - Create a layer of warm brown (power point, video, student print out) 25mins
3. Exercise 2: Step 2 - Create the shadow edge in warm brown step two (power point, video, student print out) 20mins

Lesson 3: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Step 3 - orange (power point, video, student print out) 25mins
2. Exercise 2: Step 4 -yellow (power point, video, student print out) 20mins

Lesson 4: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Step 5 - final layer and Burnishing (power point, video, student print out) 40mins
2. Exercise 1: Step 6 - Colour Andy's little tools (power point, video, student print out) 40mins

Lesson 5 and 6: General Overview

During this lesson you will be teaching the following:

1. Group Discussion: Inspiration from American Artist Dean Russo (Internet Access needed) (power point)
2. Group Discussion: Inspiration from Australian Aboriginal artist Melanie Hava (power point)
3. Group Discussion: Inspiration from Torres Strait Islander artist Syd Bruce Short Joe (Internet Access needed) (power point)
4. Project Stage 1: A Day In The Life Of My Imaginary Pet pen outline (power point, student print out) 40mins

Lesson 7 and 8: General Overview

During this lesson you will be teaching the following:

1. Project final stage: A Day In The Life Of My Imaginary Pet coloured pencil (power point, student print out) 40mins

Term 4: Shading and Form

Lesson 1: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Pencil stroke 1: Shading (power point, video) 20mins
4. Exercise 2: Pencil stroke 2: Broad (power point, video, student print out) 10mins
5. Exercise 3: Pencil stroke 3: Chisel Point (power point, video, student print out) 10mins
6. Mini-Project: Add the strokes to the Cherry Cupcake (power point, student print out) 20mins

Lesson 2: General Overview

During this lesson you will be teaching the following:

1. Exercise 1: Pencil stroke 4: Thick and Thin lines (power point, video) 10mins
2. Exercise 2: Pencil stroke 5: Hatching Lines (power point, video, student print out) 10mins
3. Exercise 3: Pencil stroke 6: Cross-hatching lines (power point, video, student print out) 10mins

Lesson 3: General Overview

During this lesson you will be teaching the following:

1. Discussion: Value Scale and 3 Ways to Shade (power point, student print out) 5mins
2. Game: Write the numbers of the tones onto the shaded curves (power point, student print out) 5mins
3. Exercise 1: Create a Gradation (power point, student print out) 20mins
4. Exercise 2: Create a Soft Edge (power point, student print out) 20mins
5. Exercise 3: Create a Hard Edge (power point, student print out) 20mins

Lesson 4: General Overview

During this lesson you will be teaching the following:

1. Continue - Exercise 1: Gradation (power point, student print out) 20mins
2. Continue - Exercise 2: Soft Edge (power point, student print out) 20mins
3. Continue Exercise 3: Hard Edge (power point, student print out) 20mins

Lesson 5: General Overview

During this lesson you will be teaching the following:

1. Discussion: Light and Shade Theory (power point, video student print out) 10mins
2. Exercise 1: Shade a Cone (power point, video, student print out) 30mins

Lessons 6: General Overview

During this lesson you will be teaching the following:

1. Project Old Hayshed: Fill in Pencil strokes 1, 2 and 3: Shading, Broad strokes and Chisel Point (power point, video) 40mins

Lesson 7 and 8: General Overview

During this lesson you will be teaching the following:

1. Project Old Hayshed continued: Fill in Pencil strokes 4, 5 and 6: Fine Lines, Hatching and Cross-hatching 40 to 80mins
