Corona regulations:

The corona risk is well known. Therefore, if the Workshop cannot take place due to an order from the state government, a voucher will be issued that is valid for three years.

If the event can take place, everyone must have become aware before registering, including actions taken by state government, that he/she meets all requirements to participate, e.g., vaccination/proof of recovery, etc.

Such an objection is not allowed afterwards and no refund or credit will be given.

By registering, you expressly agree to these booking conditions.

Cancellation:

The booking is legally binding. There is no cancellation or rebooking.

Before booking, please make sure that your employer has approved your leave and that you are not prevented from attending for any other reasons. All vacation issues, etc. should be cleared with employers, family, etc. beforehand.

Cancellation or rebooking at a later date for work reasons is not possible.

It is not possible to withdraw from the booking or to cancel it. Neither is a credit note or rebooking.

Likewise, for the practice of risk sports (such as skiing, motor racing, parkour, skateboarding, etc.), the following principle applies: if someone is unable to participate because of injuries etc., the person bears the risk him/herself. A cancellation or rebooking is not possible and also no credit.

If a participant is fit for sports should be clarified with a doctor beforehand.

A later cancellation or rebooking due to previously foreseeable health impairments is not possible.

In principle, the following applies: In the event of cancellation for reasons for which Shaolin Temple Europe (or the Buddhist Order of Shaolin e.V.) is responsible, a credit note will be issued and a voucher will be given. For all reasons for which the temple is not responsible, we recommend a travel cancellation insurance, as no refund or voucher can be given.

Payability:

Please note that registrations are binding and cannot be cancelled. There will be no refunds.

The costs must be paid within 7 days after receipt of the registration confirmation at the latest.

Longer payment terms and payment by installments are not possible. We ask to refrain from such requests.

If no payment is made within 7 days, the place will be released and further registrations will be accepted.

If you have not met the payment deadline and all places are already taken, you will unfortunately not be able to participate in the program.

Furthermore, all persons who register and do not pay will subsequently be blocked from further participation.

The payment can be made by bank transfer or by Paypal - in this case you have to pay the Paypal fees which can be requested by email to the monastery. The monastery cannot accept other forms of payment.

Please always include your booking number with your payment.

If you do not include a booking number when making the transfer, the accounting department will not be able to allocate your payment.

We normally do not send a confirmation of receipt of payment. Normally, it is sufficient that your bank informs you, it has made the payment. However, if you would like to receive a confirmation of receipt of payment for security reasons, you must request this by providing the booking number. Your request cannot be processed without the booking number.

Please note that the accounting department may take up to 4 weeks or more to send a confirmation of receipt of payment.

After registration:

Following your registration, you will receive a registration confirmation.

In this registration confirmation you will find your booking number for payment and how to pay.

This confirmation can take up to 14 days. However, we will make every effort to ensure that you receive it as soon as possible.
